LONG TERM IMPACT

Your monthly donation allows the MJD Foundation to take a planned, long-term approach. As a Fellowship Club member, you will work side by side with us, making long-lasting improvements to not only our resident's lives, but also allowing us to maintain our facilities to the highest level of quality.

COST EFFECTIVE

Monthly giving means low administrative costs, which means that more of your money goes to where it is needed the most: Supporting Recovery ~ Offering Hope

MEANINGFUL GIFTS

Through our website you can set up a recurring donation. For as little as \$25/month, you can make a significant impact in the life of someone in recovery. That \$300/year will help a new resident with his monthly program fee to give him time to find employment and create stability in his life; allow the Foundation to purchase the necessities for life (bedding, kitchen items, toiletries, etc.) for the men; and a more significant monthly gift will enable the Foundation to relace a roof and other necessary repairs.....make a difference and set up your recurring gift TODAY by hitting the button below and going into our PayPal portal, you can set up a monthly gift there.
