MJD Supporting Veterans

Operation veteran vacation is a nonprofit that offers veterans and their families the opportunity to reconnect after periods of separation due to treatment from combat related stress. O.V.V is dedicated to the reestablishment and reintegration of veterans into the family unit through recreational activities such as camping and other vacations. We hope to take the pressure off of the veteran and the family through low stress environments that allow the family to bond before returning to the issues of day-to-day life.

AMAZON SMILE program ENDS

LETTER FROM THE EDITOR

GOODBYE AMAZON SMILE.....

Many of you have generously supported MJD by using the Amazon Smile program. However, on 2/20/23, Amazon will discontinue the program.

We are honored that many of you chose to support us over the years. The end of this tool creates a gap that we need your help to fill.

In the same way that you generously designated a portion of your regular spending through the program to MJD, we'd like you to consider a **MONTHLY** commitment to help MJD continue its work within the community.

Lasting change starts with **YOU!** A gift of even \$10/month will help MJD "Support Recovery & Offer Hope" to the many who cross our threshold. Please use the button below to join our "**Fellowship Club**" and show your commitment to recovery.
